Panasonic GU87 SIM Card Replacement

Use this guide to replace or install a new SIM Card.

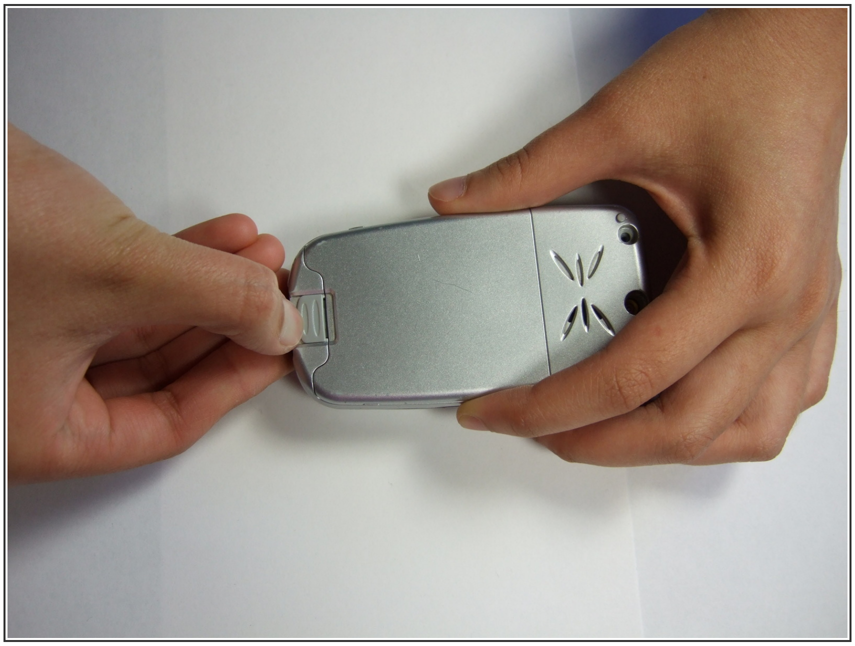

Written By: Daniel

PARTS:

- SIM Card (1)

Step 1 — Battery

- Place your hands on the phone as shown in picture. Slightly pull the tab away from the phone with your thumb.

Step 2

- Lift the battery up from the phone as shown. Replace with a new battery if the old battery has become worn out.

Step 3 — SIM Card

- Using your index finger, slide the SIM card into the slot.

To reassemble your device, follow these instructions in reverse order.
